The initial appointment of a faculty member to an academic rank will adhere to the following criteria:

A. Faculty Ranks

1. Professor

   The earned terminal degree in one’s field or equivalent, a minimum of five years at the rank of Associate Professor, and a minimum of ten years’ teaching experience at the college or university level or the equivalent as defined by the academic department are required. In addition, faculty considered for this rank must demonstrate teaching excellence, dedication to and growth in the profession, and scholarship or performing artistry.

2. Associate Professor

   The earned terminal degree in one’s field or equivalent and a minimum of five years at the rank of Assistant Professor are required.

3. Assistant Professor

   The earned terminal degree in one’s field or equivalent is required for appointment to the rank of Assistant Professor.

4. Instructor

   The master’s degree with a major in the appropriate teaching field is required for appointment to the rank of instructor. This is the lowest tenure-track rank.

5. Lecturer

   The rank of Lecturer is for a temporary, non-tenure-track position implying no obligation beyond the designated term specified in the appointment letter. Employment is based on departmental needs.
6. Part Time Lecturer
7. Adjunct Faculty
8. Terminal Degree Equivalency

In exceptional cases, outstanding professional experience and demonstrated contributions to the teaching discipline may be presented in lieu of formal academic preparation. Such cases must be documented and justified in writing by the appropriate departmental chair, school dean, and the Executive Vice President and Provost. Such documentation and justification will be a part of the individual's permanent file.

B. General Qualifications and Criteria for Promotion

Promotion from one rank to another does not automatically occur when an individual’s level of education and experience meet the minimum requirements for the next rank. Promotion is based on the requirements for each rank, General Qualifications and Criteria, and the recommendations of the appropriate University officials as outlined in the policy statement. The qualifications and criteria for promotion are as follows:

1. Effective Teaching

The primary criterion for promotion at Sul Ross State University is effective teaching as evidenced by the annual evaluation process. During the year that a faculty member has applied for promotion, both the dean and the department chairperson shall observe and evaluate the applicant’s classroom teaching. The faculty member shall decide whether the observation is an actual visit to the classroom or based upon a video of the class room activity. If the video alternative is chosen, then it is the responsibility of the faculty member to make all of the arrangements for the videotaping.

2. Demonstrated scholarship and/or performing artistry.

3. Demonstrated ability to stay current in the appropriate academic field and to communicate knowledge in that field.

4. Cooperation with faculty, staff, and administration in fulfilling the mission of the University.

5. Productive service in University organizations such as faculty councils, University committees, student life, and honor societies.

6. Contributions to professional organizations in the appropriate academic field.

7. Active community service outside the University.
C. Procedure for Promotion Recommendations

1. Deadlines.

   The Faculty Affairs Council shall establish the deadline for each stage of the promotion review procedure in the spring semester for the following academic year. These dates shall be included in the University’s academic calendar and announced at the first meeting of the Faculty Assembly in the fall semester.

2. Fall Semester Notice from the Executive Vice President and Provost.

   At the start of the fall semester the Executive Vice President and Provost shall review the institutional needs to determine the number of promotions for each of the faculty ranks. The Provost shall inform the chairperson of the Faculty Affairs Council of the number of promotions available and the chairperson shall announce this number at the first meeting of the Faculty Assembly in the fall semester.

3. Application.

   Faculty members must submit an application for promotion to the department chairperson by the second Friday in October.

4. Contents of the Application for Promotion.

   The promotion application shall include the official application for promotion (see Appendix), a letter of application for promotion, a copy of the applicant’s initial letter of appointment, a copy of the current Curriculum Vitae, copies of the department chairperson’s annual evaluations for the most recent three years, and summary sheets of the student course evaluations for the most recent three years. All recommendations from each level of the promotion review also shall be added to the promotion application as the application moves through the review procedure.

   The application may also include other evidence of contributions to the fulfillment of the University’s mission statement and the applicant’s commitment to teaching and scholarship such as books, reprints or preprints of articles, scripts, scores, performance programs, as well as other scholarly work appropriate to the discipline.

   It is the individual faculty member’s responsibility to provide full documentation of the application. Faculty members who fail to document adequately their application may not append additional information after the review process has begun and may be denied promotion based upon insufficient documentation.

   Such denial shall not prejudice consideration during future promotion consideration.
5. Department.

The department chairperson shall convene the Department Promotion Committee to consider all applications for promotion in the department. This committee shall consist of the tenured faculty in the department. If there are fewer than three persons from the applicant’s department or program qualified to serve on the departmental reviewing committee, a number of faculty members from outside the department sufficient to compose a departmental committee of three will be selected randomly by the dean of the academic college. Faculty members qualified to be chosen for membership on the departmental committee are faculty members with tenure within the college with the rank of Associate Professor or Professor. The applicant and the department chair may each veto the selection of one committee nominee selected through the random-selection process. However, if there is no department chair or if the chair is the applicant, the dean of the college and the applicant may each veto one nominee.

The committee shall elect its own chairperson. Faculty members may not serve on the Department Promotion Committee during the year in which they are being considered for promotion. The committee shall vote "for" or "against" promotion and shall rank all applicants within each academic rank.

The committee shall forward its recommendations and written justifications to the department chairperson. The department chairperson shall make a recommendation and notify the applicant of the departmental recommendations if requested by the applicant. The chairperson shall forward the complete application for promotion to the dean of the college by the second Friday in November. If the department chairperson is applying for promotion, then the Department Promotion Committee shall forward the candidate’s promotion application directly to the dean by the above date.

6. College.

The dean shall convene the College Promotion Committee by the second Friday in December and provide all applications for promotion. The College Promotion Committee shall include the chairpersons from the various department promotion committees within the college. The College Promotion Committee shall elect its own chairperson. The committee shall review each application for promotion and vote "for" or "against" promotion for each applicant and rank all applicants within each academic rank. When the college review is complete, then the committee shall forward the applications to the dean.

7. Dean.

The dean shall make a recommendation and then notify the applicant of the school recommendations if requested by the applicant. The dean shall forward all applications for promotion to the chairperson of the Promotion and Tenure Review Council by the second Friday in February.
8. Campus Review.

a. Alpine. The Promotion and Tenure Review Council shall review all applications for promotion from the Alpine campus and vote "for" or "against" promotion for each applicant and then rank all applicants within each academic rank. The recommendations shall be transmitted to the Joint Council on Academic Affairs by the Friday before Spring Break in March.

The promotion recommendations from each campus Promotion and Tenure Review Council shall be transmitted to the Joint Council on Faculty Affairs, a joint council of the SRSU Faculty Governance Organizations. The Joint Council on Faculty Affairs shall be comprised of nine tenured faculty members with the rank of Professor from the Alpine and the Del Rio-Eagle Pass-Uvalde campuses. The Joint Council on Faculty Affairs shall receive and review the recommendations for promotion. Two-thirds of the membership shall be from the Alpine campus and one-third from the Del Rio-Eagle Pass-Uvalde campuses. The membership of the Joint Council on Faculty Affairs shall be appointed by the presiding officers of the SRSU Faculty Governance Organization.

The Provost shall forward these recommendations to the President of the University by the last Friday in March. The Provost shall notify the applicant of these recommendations if requested by the applicant.

11. President.

The President shall review all applications for promotion, even ones that did not come forward with the recommendation of the Executive Vice President and Provost, and determine which promotions to recommend to the Board of Regents at their May meeting. The President shall notify all applicants, department chairpersons, and deans, the chairperson of the Promotion and Tenure Review Councils, and the Executive Vice President and Provost of these recommendations. Following action by the Board of Regents, the President shall give written notice to each applicant of the promotions made by the Board.
D. Special Considerations

1. Withdrawing an application.

An applicant may withdraw an application for promotion at any time in the promotion review process.

2. Hearing Conditions.

A faculty member shall not be entitled to a statement of reasons for denial of promotion or to a hearing to review or appeal such denial, unless he or she submits in writing to the president factual allegations that the denial constitutes a violation of a right guaranteed by the laws or Constitution of the State of Texas or of the United States and requests an administrative hearing to review these allegations. The allegations shall be heard under the same procedures as in the case of dismissal for cause (Chapter V, Subsection 4.44 of the Rules and Regulations, Texas State University System) with the exceptions applicable to non-tenured faculty who are not reappointed (Chapter V, Subsection 4.28).

3. Promotion/Tenure Committees.

It is assumed that the various departmental and school committees shall be convened to review applications for promotion and tenure concurrently.

E. Return of Applications

When the promotion-review procedure is complete, the Executive Vice President and Provost shall forward all applications to the chairpersons of the Promotion and Tenure Review Councils, who shall return the applications to the applicants.
